

Certificate

This is to certify that the safety cups
provided by

Firma

Riel GmbH & Co. KG

Hagenfeldstrasse 13

75038 Oberderdingen

have been tested at the Institut für Kraftfahrwesen Aachen. The safety cups with the label
"RIEL" have fulfilled all requirements and therefore they have been approved. This
certificate is only valid for this type of safety cups; any changes will require a new testing
procedure.

Aachen, April 2004
